

Paranoids Halloween Lantern

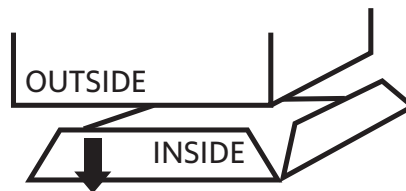

Happy Halloween from The Paranoids! We've created these Halloween lanterns for you to build and enjoy. Here's what you'll need:

Supply List

Cardstock
Tissue Paper
Printer
Scissors or
Xacto knife
Tape
LED candle

Instructions

1. Choose one base file and two walls, and print design on heavy cardstock.
2. Use scissors or an xacto knife to cut out the pieces.
3. Cut and tape tissue paper to the interior side of the walls.
3. Fold the base tabs upwards, and the wall tabs inward.

4. Tape the walls over the base tabs and tape in place.
5. Place an LED candle in the center of the lantern. Enjoy your festive creation!
